Thank you for completing the Energy Arrangements Form.

We have appointed The Energy Saving Company Ltd, the UK's leading service in energy management for tenants, to arrange for your Energy Accounts to be set up with your current providers. **You will not be charged for this service**

The energy saving Company Ltd.will also arrange for the energy supply to be transferred to either the lowest priced provider or to your chosen provider using the impartial Energylinx energy comparison and transfer service. Energylinx are the UK's number 1 energy price comparison service and are the only company who can arrange energy transfers to **every domestic energy supplier in the UK.**

Whether you have chosen to be set up with the lowest priced tariff, or if you have chosen your preferred supplier, you will receive a letter from The Energy Saving Company within the next 5 working days detailing your new energy tariff along with unit prices and confirmation of the payment method that you have requested. To find the lowest priced energy tariff for you, we use your current energy consumption. For new tenants we use the number of bedrooms in your property to work out an average consumption as you will not yet be aware of your consumption.

If you have any questions about your energy and utilities, please call The Energy Saving Company customer services directly on **0845 3722 226** and one of their trained advisors will assist you.

The Energy Saving Company have many more low priced, quality energy saving services for tenants, whether you are just moving in or if you are renewing your tenancy. Please call 0800 118 5733 for more information on how you can save money today, or visit - **www.theenergysavingcompany.com**
